

BASIC ART JOURNAL TOOL KIT

What kinds of products can you use in your art journal? Honestly.... everything!
Start with what you already have and add a bit here and there... no need to buy the whole shoppe in one outing 😊

Following is a list of basic supplies you will use nearly every time you create... although there is certainly more you can add!

- **Each student must supply their own tools for use in class**
- **We have a very limited few of each tool to share if you do not have them**
- **Consumable products must be provided by each student**

- Art Journal
- Pencil, Ruler, Scissors
- Brushes (a few different sizes, but definitely 1" flat and ½" flat)
- Water misting bottle
- Paper towel roll, wet wipes, old rag
- Pens/Markers – white pen, black permanent
- Craft scraper (or old plastic card, credit card, gift card etc)
- Water bucket and pallet (old plastic container & lid!)
- Adhesive (dry, liquid, foam, glue dots)
- Gel Multi-Medium (matte or gloss) or other preferred collage medium
- White Gesso, Black Gesso, Embossing Paste
- Palette Knife
- Non-stick Craft Sheet (not required, but certainly recommended)
- A tote bag, bucket, or bin to carry everything in!

Any additional tools that may be useful in each particular class
will be emailed in advance of the class date
