### **Alcohol Inks**

*Any assortment of colours will work... feel free to experiment & use similar colours in your existing collection!*

### **The sample cards use:**

Raspberry, Turquoise, Sunshine Yellow, Dandelion, Purple Twilight, Amethyst,  
Peach Bellini, Stonewashed, Eggplant, Wild Plum

## **Alcohol Ink Classes Basic Supply List**

### **Required for this class:**

- Alcohol Inks (see above)
- Ranger Alcohol Blending Solution
- Isopropyl Alcohol--91% or more (*available at any pharmacy or grocery store*)  
To hold alcohol:  
Mini Mister **and** a precision tipped bottle (or a pipette and a small, stable dish)
- Canned Air (the shoppe will have some available for purchase)
- Glass Media Mat, or other non-porous work surface  
(ie: a 12"x12" piece of thick acetate with white cardstock taped behind, or a Ranger non-stick craft mat)
- Paper towel
- Precision scissors (recommended--non-stick coating)
- Adhesives (wet, dry, foam, glue pen)

### **Optional Supplies:**

- Small divided container to hold Alcohol Ink bottles while open so they don't tip over
- Ranger Alcohol Ink Palette
- Ranger Heat Tool
- Tim Holtz Alcohol Ink Storage Tin
- unscented baby wipes
