

Christmas Card Exchange!

Cherry Lane is hosting our 4th Annual Christmas Card Exchange!

We know how much you love to make and give handmade cards, and this is an excellent way to add some different ideas to your stash!

Here are the rules,
and they are pretty simple:

1. Make one Christmas card and copy that card ten times (Be sure to give these cards the same amount of "love" you would any other card!)
2. Drop off all ten cards to the shoppe by November 18th, in a zipper bag labelled with your name and phone number
3. Pick up your bag of ten **DIFFERENT** cards at the shoppe after November 22nd

Your card can be any size and use any brand of product. It does not have to be an original idea, feel free to "case" something and change it to make it your own. You do not have to put a sentiment inside the cards and you do not have to include envelopes. Once all the cards are dropped off, our wonderful Cherry Lane team will divide and bag them all... ready for you to pick up!
