## Calling All Card Makers ~ 8<sup>th</sup> Annual Christmas Card Exchange

We know how much you love to make and give handmade cards, but you don't always have time to make different ones. This is an excellent way to build up your stash and support our community at the same time!

---

Here are the rules, and they are pretty simple:

1. Make one Christmas card and copy that card ten more times (11 cards in total)
2. Yes! Use any size of card and any brand of product
3. Drop off all eleven cards plus **one food bank item** to the shoppe by November 29th, in a ziploc bag labelled with your name and phone number
4. Pick up your bag of ten DIFFERENT cards starting December 3rd

*Envelopes and inner sentiments are not required.*

*Our wonderful Cherry Lane team will divide & bag all the cards... ready for you to pick up!*

- 10 cards are for the exchange. The 11th goes into a raffle basket supporting the Food Bank
- Get one raffle ticket per food bank item or per \$1 cash donation through December 5th
- Basket Winner will be randomly pulled from all entries on December 6th

Have fun making your cards and paying it forward to those less fortunate this Christmas!
